**SECTION 2. Operation of Commercial Passenger Vehicles.** Operation of commercial passenger vehicles at the airport is regulated as follows:

**2.1. Written Permission Required.** It is unlawful for any person to use any commercial passenger vehicle to pick up any passenger for hire or for any other commercial purpose at the airport except with the advance written permission and approval of the District, and in conformity with the requirements of any unexpired and unexpired agreement, contract, license, permit or other written authorization issued by the District for such activity. The prohibitions of section 2.1 of this ordinance shall not apply to commercial vehicle operators, the activities of which are limited to delivering customers to the airport.

**2.2 Solicitation Prohibited.** It is unlawful for any commercial passenger vehicle operator to engage in solicitation at the airport, except as otherwise provided by a valid and unexpired or unexpired agreement, contract, license, permit or other written authorization issued by the District.

**2.3 Parking in Front of Terminal Building Prohibited.** Except for discharging passengers, it is unlawful for any commercial passenger vehicle operator to park any commercial passenger vehicle on any roadway adjacent to the terminal building, except as otherwise provided by a valid and unexpired or unexpired agreement, contract, license, permit or other written authorization issued by the District.

**SECTION 3. Fees.** The fee to be assessed for the issuance of an agreement, contract, license, permit or other written authorization for a commercial passenger vehicle to operate at the airport shall initially be set at \$300.00 per vehicle per fiscal year. With respect to commercial passenger vehicle operators who are newly seeking to operate at the airport or who have not operated at the airport during the fiscal year immediately preceding the fiscal year of issuance, the fee for agreements, contracts, licenses, permits or other written authorizations issued after the commencement of the fiscal year of issuance shall be prorated as follows:

<u>Month of Issuance</u>	<u>Fee for Balance of Fiscal Year</u>
July, August, September	\$300.00
October, November, December	\$225.00
January, February, March	\$150.00
April, May, June	\$75.00

However, any commercial passenger vehicle operator who held an agreement, contract, license, permit or other written authorization at any time during the immediately preceding fiscal year shall not be eligible for any reduced partial year fee and shall instead pay the full annual fee for any agreement, contract, license, permit or other written authorization issued after the commencement of the fiscal year of issuance.

Any commercial passenger vehicle operator holding a valid and unexpired or unexpired agreement, contract, license, permit or other written authorization issued by the District may apply for temporary authorization to add one or more commercial passenger vehicles to serve anticipated increases in passenger volume during a golf tournament, music festival, convention or other special event. The application shall (a) identify the special event along with its starting and ending dates, (b) identify the vehicle or vehicles to be temporarily authorized to operate at the airport, (c) include evidence of ownership of or a copy of the rental or other agreement by which the operator is acquiring the use of such vehicle or vehicles, and (d) include proof of insurance meeting the requirements set forth in Section 4 below. The fee for such temporary authorization shall initially be set at \$50.00 per vehicle per event.

Each of the fees set forth in this section may be adjusted from time to time by the provisions of a resolution authorizing and approving the adjustment of rates and charges at the airport.

**SECTION 4. Insurance.** Except as may otherwise be provided in the agreement, contract, license, permit or other written authorization for a commercial passenger vehicle to operate at the airport, there shall be maintained in full force and effect, at no cost to the District, for each commercial passenger vehicle operating at the airport comprehensive form automobile liability insurance and workers compensation insurance where applicable. The minimum terms and limits of such policies shall be as determined by the General Manager, or such other increased limits as may be required by the California Public Utilities Commission for those operators over which that commission has regulatory control. Each such policy of insurance shall be issued by an insurance organization authorized by the California Insurance Commissioner to transact the business of insurance within the State of California or by an insurer expressly approved in writing by the General Manager. Each applicant for an agreement, contract, license, permit or other written authorization to operate a commercial passenger vehicle at the airport shall furnish appropriate certificates of insurance meeting the satisfaction of the General Manager upon application and each holder of an agreement, contract, license, permit or other written authorization to operate a commercial passenger vehicle at the airport shall furnish a substitute certificate of insurance meeting the satisfaction of the General Manager no later than 30 days prior to any policy expiration date.

**SECTION 6. Repeal and Cancellation of Portion of Prior Ordinance.** Section 7.2 of Ordinance No. 796 "An Ordinance Defining and Prohibiting Miscellaneous Criminal Conduct at the Monterey Peninsula Airport" (which section generally prohibited solicitation by commercial passenger vehicle operators, but excepted picking up pre-reserved customers) is hereby repealed. All other ordinances and parts of ordinances in conflict with this ordinance, to the extent of such conflict and no further, are each hereby repealed.

**SECTION 7. Severability.** This ordinance shall supplement and be in addition to the other regulatory codes, statutes and ordinances heretofore or hereafter enacted by the District, the State of California or any other legal entity or agency having jurisdiction. This ordinance shall not be interpreted or construed to permit any activity where or when it is otherwise restricted by other applicable laws. Nothing in this ordinance is intended to make punishable any act or acts which are prohibited by any law of the state or federal government. Nothing in this ordinance shall authorize the maintenance of any public or private nuisance. If any provision, clause, sentence or paragraph of this ordinance or the application thereof to any person or circumstance shall be held invalid, such invalidity shall not affect the other provisions of this ordinance which can be given effect without the invalid provision or application and to this end, the provisions of this ordinance are declared to be severable.
