serve my community. I currently work as a Senior Project Manager for a Transition Planning consulting firm in the field of healthcare construction, have a degree in Aeronautical Engineering from UCLA, and serve as a Director on the Monterey Peninsula Airport District Board. I also am serving on the Board of the Housing Resource Center of Monterey County and regularly volunteer with Friends of Seaside Parks. My wife and I are avid hikers and regularly enjoy our local trails on the weekends. I lived in Los Angeles for over 20 years and see what urban sprawl does to a community and want to ensure that doesn't happen here while also ensuring we are protecting our local economy and prime farmland. Re: Candidacy for Independent Special District Alternate Seat – LAFCO of Monterey County

Dear Selection Committee Members,

I am submitting my candidacy for the Independent Special District Alternate seat on the Local Agency Formation Commission of Monterey County, with a public-service background centered on land-use decision-making, agency authority, and the long-term governance of shared resources.

Much of my public service has involved advising and governing at the intersection of land use, water systems, and agricultural activity—areas where jurisdictional clarity and institutional coordination are essential. As a Director of the Resource Conservation District of Monterey County, I participate in governance decisions affecting conservation programs, land stewardship priorities, and partnerships that directly shape how land and water resources are managed across jurisdictional boundaries.

Over the past fifteen years, I have also served on the Monterey County Agriculture Advisory Committee and on advisory committees of the Monterey County Water Resources Agency, including the Basin Management Advisory Committee and the Reservoir Operations Advisory Committee. In these roles, I have worked with County staff and policymakers on issues where land use, infrastructure operations, and regulatory authority converge—often requiring careful alignment between agency mandates and on-the-ground realities.

Across these appointments, my focus has been on ensuring that decisions are grounded in statutory authority, transparent governance processes, and a clear understanding of how service responsibilities affect communities over time. LAFCO’s mandate—to oversee agency boundaries, service extensions, and orderly growth—directly reflects this same responsibility.

I would welcome the opportunity to support LAFCO’s land-use and agency-formation mission as an Alternate Commissioner and to contribute disciplined, independent judgment to its deliberations.

Respectfully,

Bill Lipe
