Discussion 1. Air Service Update

Deputy Director Morello reviewed current air service considering the Shelter-In-Place and COVID-19 Pandemic. The month of May operations and passenger load numbers increased as compared to April 2020. Airline capacity was discussed and the fact that decreased load factors are considered full capacity as the airlines provided for physical distancing on the aircraft.

Discussion ensued regarding JSX and the possibility of a July launch of service to both BUR and SNA. JSX indicated that once the Shelter-In-Place order was lifted, and leisure/tourism travel was approved, they would begin service.

Director Sabo asked about marketing efforts. Morello reiterated the need to wait until Shelter-In-Place restrictions were lifted and leisure and tourism travel is acceptable. Director Sawhney agreed that the timing of marketing air service is sensitive considering the current County Health Directives.

Review 2. Passenger Comment Cards

One passenger comment was submitted for the month which was positive.

Review 3. Noise Complaint Report

The noise complaint report was reviewed by the Committee. Director Sabo continued to express his concern regarding the flight school activities and again requested staff continue to monitor those activities.
